## PERSONAL EXPLANATION

Mr. SCHRADER. Mr. Speaker, last night during Roll Call No. 51, I was inadvertently recorded as voting "no" on H. Res. 826, Expressing Disapproval of the Trump Administration's Actions Towards Medicaid, when it was my intention to vote "yes." I respectfully request this be officially reflected in the RECORD, and ask my full written statement be entered in the RECORD as well.

Madam Speaker, last night during a long series of votes, I was inadvertently recorded as voting "no" when it was my intention to vote "yes" on rollcall No. 51. H. Res. 826, a resolution "Expressing disapproval of the Trump Administration's harmful actions towards Medicaid." I rise today to correct the record and make it clear to my constituents and colleagues that I unequivocally oppose the Trump Administration's proposal to block grant Medicaid and gutting a critically important piece of the Affordable Care Act.

The Trump Administration's proposal which will cap federal funding and cut coverage and benefits, is exactly the opposite of what I've championed during my time in congress. The proposal will harm low-income parents and children, people with disabilities, and many older Americans. It would make it more difficult for states to finance their Medicaid programs which would ultimately and inevitably lead to reductions in benefits for our most vulnerable citizens.

The administration's proposal also turns its back on the commitment Congress and the federal government made to states to cover 90 percent of the cost of Medicaid if those states agreed to expanding the program. As a steadfast supporter and defender of the Affordable Care Act, it is undeniable that the expansion of Medicaid under that law has provided us the greatest opportunity to provide
